

MSEA-SEIU Quilters Unite!

Union Chapters Invited to Make Quilt Blocks for Union-Wide Project

What does your union chapter stand for? How would you express that on a quilt block?

That's what MSEA-SEIU members who belong our union's Motor Vehicle Chapter are hoping to find out about each and every chapter in our union.

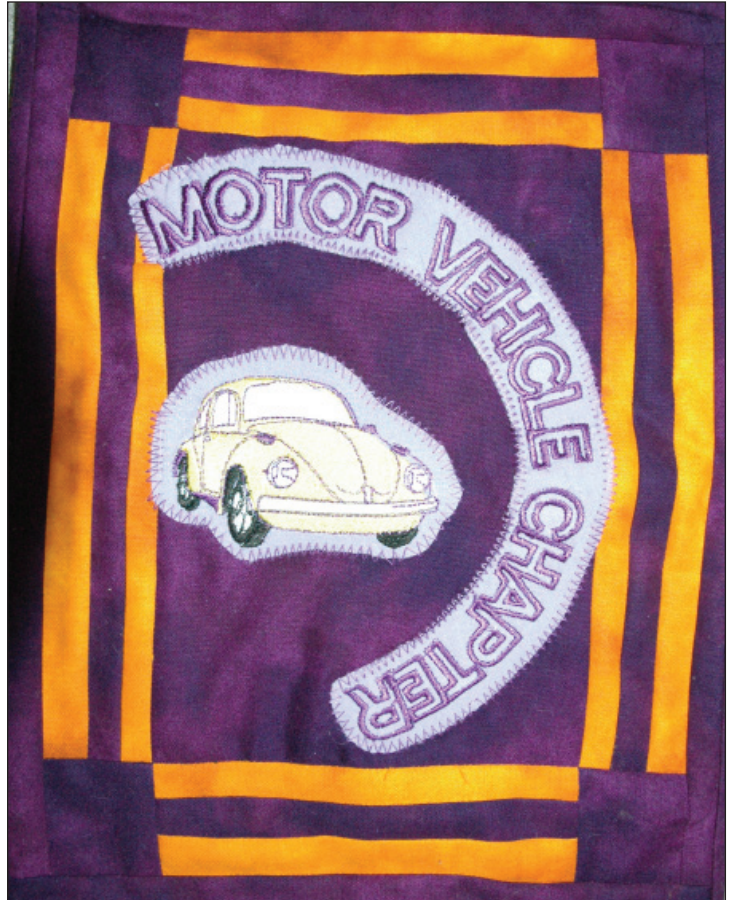

The Motor Vehicle Chapter has launched **the first MSEA-SEIU Quilt Block Challenge**. Open to every chapter in our union, the Challenge is for each chapter to create a quilt block measuring up to 12 inches by 12 inches reflecting your union chapter.

The goal is for each and every chapter in our union to design and sew a quilt block in time to present them to their MSEA-SEIU Board liaison by June 19, 2009.

Then the Motor Vehicle Chapter will piece all of the quilt blocks together into something big. Maybe a quilt. Maybe a flag. Maybe a banner. The opportunities are endless!
