

Dear Business Owner or Manager

As a longtime patron of your business I want to let you know about a change in my financial status over the next two years.

I am a state employee who has been forced to reduce my spending because of the shutdown days, reduced pay, and increased costs included in the new State Budget approved by the Legislature and signed into law by the Governor.

Their actions have forced me to reconsider my spending priorities to match my smaller paycheck. While I may not be in your business as often, yours is one of those businesses that I have chosen as important to me and my family. I will continue to spend my hard earned dollars here but I will have fewer dollars to spend.
